---

The Tahoe Rim Ride will be using a lottery entry approach for the 2018 50-mile ride to be held on August 4, 2018. As in 2017, there will only be a 50-mile ride. Ride Management will reserve a few entry slots for awards, promotion, prior volunteers, and the rest will be drawn from the lottery entry forms received (See below) by March 28<sup>th</sup>, 2018. We will also draw names to establish the waiting list. The drawing for entry reservations, and to establish the waiting list, will be held and announced on April 1, 2018.

At this time, the ride is limited by the number of rigs that can be parked at base camp. A winning lottery entry is for a rig space. There is a minimum entry of two riders per rig. If you are selected from the lottery, you will be able to bring as many riders (of your choosing) with you that will fit in your rig, but you will be responsible for a minimum of 2 riders. "Trailer pooling" lets us offer the ride to more entrants, and increases the chances of repeating the ride in the future. Parking will be assigned at base camp.

Your \$100.00 check (To be sent in with the form below) will be held until the April 1<sup>st</sup> drawing. Should you be one of the entries selected, we will deposit your check and your deposit will be fully refundable, according to our Cancellation Policy (See details below). If you are selected as part of the waiting list, your check will be held until you are offered an entry spot due to cancellation or rig pooling. All undeposited checks will be shredded after the ride.

Results will be posted to our website and facebook page on April 1, 2018. Entry forms will be made available at that time. We are currently reviewing the budget for the 2018 ride, but we anticipate an increase in ride entry fees over 2017 due to the limited number of riders that we are able to start.

Fee & Cancellation Policy: Full entry form and all fees must be received for ALL RIDERS in your rig spot (If Drawn) by May 1<sup>st</sup> 2018. Cancellations received no later than June 14<sup>th</sup>, 2018 will receive a full refund. Any cancellations after June 15<sup>th</sup>, 2018 will be subject to a \$35.00 administration fee. No refund will be issued for cancellations received after July 1<sup>st</sup>, 2018 unless your rig spot is filled from the waiting list (Administrative fee will be subtracted from the refund). No refunds (for any reason) will be issued for cancellations received after July 27, 2017.

Failure to complete your entry and/or submit your entry fees by stated deadlines may result in forfeiture of your reservation. Entries will not be accepted at base camp, all entrants must be pre-registered.

All event information, directions, maps, and other pertinent details will be available on our website, facebook page, and entry forms (Available after the April 1<sup>st</sup> drawing). Please be sure to check our website for updates prior to the event, and to become a fan of our facebook page. We post pictures, updates and other ride information at both of these locations.

\*The 2018 Tahoe Rim Ride is pending permitting and sanctioning. Dates are subject to change.
